Reaching Out to Our Neighbors

A USA Tabligh Initiative

1

Watch "The White Birds of Hartlepool"

This documentary will help you get started on preaching to your neighbors. Watch it at **www.muslimsforpeace.org/whitebirds**

2

Invite each neighbor to your home for lunch or dinner or tea/coffee.

Get to know who they are and listen to their story. Introduce yourself, your family, and background.

3

Give a copy of "World Crisis and the Pathway to Peace" to your neighbors

This book details the Islamic solutions to prevailing world issues. You can place your order for 10 free copies here: **http://www.amibookstore.us/crisis.html**

4

Hold neighborhood events and invite other Ahmadis

These can be around holidays, an ameen ceremony, Religious Founders Day, a book club, or breaking the fast during Ramadan.

5

Invite them to Jalsa Salana USA!

https://convention.ahmadiyya.us is the website for non-Ahmadi guests to get more information, it will be updated with the latest info for 2018 soon.

We love hearing success stories! Email us at tabligh.neighbors@ahmadiyya.us and tell us about your experiences, or any questions you have.
